WHAT DOESN’T CCARE COVER?

- Non-care services provided during a CCare visit.
- Office visit when CCare is not the primary reason of the visit.
- A “treatment only” or “follow up” visit where the diagnosis has already been made.
- Any medications or supplies related to treating infections.
- Birth control supplies prescribed for a reason other than contraception.
- Any services or supplies received after the 45 day “Reasonable Opportunity Period” if you do not provide the required documentation.
Primary Care Information for CCare Clients

The University Health Center is required by the Oregon contraceptive care / CCare to provide the following information to patients applying for CCare services. This information is obtained from the Oregon Department of Human Services.

Some of the services provided by CCare at family planning clinics include:

- Your choice of birth control
- Emergency contraceptives
- Yearly exam including pap smear
- Family planning counseling and information
- Follow-up help, if needed

Some of the services not covered by CCare include:

- Sterilization
- Treatment for bladder infections
- Prenatal Care
- Treatment for sexually transmitted diseases (STD)
- Pregnancy confirmation for the Oregon Health Plan

At primary care health clinics, you can receive family planning services and other health care services like:

- Treatment for common conditions like infections or rashes
- Treatment for chronic conditions like diabetes or high blood pressure
- Preventative care like immunizations, prenatal care, dental and vision screenings

**INFORMATION ON CCARE ELIGIBILITY REQUIREMENTS**

Effective November 1, 2006, the federal government passed a law that requires us to ask for proof of U.S. citizenship and proof of identity before we can provide services through the CCare program. Original documents will be required.

**For Students Enrolling New in CCare with Required Documentation**
You have not previously enrolled in CCare in Oregon. You can enroll in the CCare program at the University Health Center Reception Desk anytime during operating hours. Appropriate documents must be provided for eligibility to be verified. Once the enrollment form has been processed, you can make a CCare appointment.

**For Students Enrolling New in CCare without Required Documentation**
You have not previously enrolled in CCare in Oregon and have not used the “one-time exception” option. You can utilize a one-time exception if you cannot provide full documentation of U.S. citizenship. You will have 45 days to provide the required documentation and receive CCare services while working with staff to obtain citizenship documentation. All other CCare eligibility criteria must still be met. Once the enrollment form has been processed, you can make a CCare appointment.

**For Students Re-Enrolling in CCare**
Your one-year eligibility period has expired. You can re-enroll at the Health Center Main Reception Desk. You must complete this process before an CCare visit can be scheduled or before you can pick up more contraceptive supplies.

**Proof of Citizenship and Identity (The following original documents will fulfill proof of both U.S. citizenship and identity. Only one document required.)**
- Current U.S. passport
- Expired U.S. passport issued without limitation
- Certificate of U.S. Citizenship (Form N-560 or N-561)
- Certificate of Naturalization (Form N-550 or N-570)

**NOTE:** If you do not have one of the documents listed above, you must provide two documents listed below; one for proof of citizenship and one for proof of identity.

**Or**

**Proof of Citizenship – Original Documents must be presented.**
- U.S. birth certificate (a souvenir birth certificate is not acceptable) **Oregon born, see below.**
- Certificate of birth abroad (Form FS-545 or FS-1350)
- Official hospital birth record
- Official adoption decree showing name and birth place

**Oregon Born:** If you were born in Oregon and do not have a copy of your birth certificate, complete the “Oregon Birth Information” form that allows the state to verify information with the Oregon Vital Records and if confirmed, you do not have to provide your birth certificate. Please ask the receptionist for this form.

**Proof of Identity – Original Documents must be presented.**
- State driver’s license or I.D. card with a photograph, date of birth, sex, height, eye color and address
- School I.D. card with photograph
- U.S. military card or draft record
- Military dependent’s I.D. card

You are NOT eligible for this program if:
- You have coverage on the Oregon Health Plan
- You were sterilized more than 6 months ago
- You cannot show proof of citizenship or identity

SOCIAL SECURITY NUMBER (SSN) STATEMENT

Federal laws (cited below) say that anyone applying for medical benefits must provide an SSN: When you write your SSN on the CCare Enrollment Form, it means that you give permission for DHS or OHA to use it and tell others about it for these reasons:
To help us decide if you qualify for benefits. We will use the SSN to make sure the income and assets you gave on the enrollment form are correct. We will match that information with other state and federal records, such as Internal Revenue Service, Department of Revenue, Medicaid, child support, Social Security, and unemployment benefits.
To help us improve the programs by doing quality reviews and other activities.
To make sure that the appropriate medical benefits are provided.

DECLARACIÓN SOBRE NÚMERO DE SEGURO SOCIAL (SSN)
Las leyes federales (citadas a continuación) estipulan que toda persona que solicite beneficios médicos debe proporcionar un Número de Seguro Social (SSN, por sus siglas en inglés): Cuando usted escribe su SSN en el Formulario de Inscripción para CCare, significa que concede su permiso para que el DHS o la OHA utilice dicho número y lo den a conocer a otras entidades para los fines siguientes:
Ayudar a determinar si usted reúne ciertos criterios para recibir beneficios.
Utilizaremos su SSN para asegurarnos de que los ingresos y bienes que usted indicó en el formulario de inscripción sean los correctos. Compararemos dicha información con la de otros registros estatales o federales, tal como el Servicio de Impuestos Internos (Internal Revenue Service), el Departamento de Colecciones (Department of Revenue), Medicaid, manutención de los hijos, beneficios del Seguro Social y de desempleo.
Ayudarnos a mejorar los programas mediante evaluaciones de la calidad y otras actividades.
Cerciorarnos de que usted reciba los beneficios médicos adecuados.

Leyes federales – 42 USC 1320b-7(a), 42 CFR 435.910, 42CFR 435.920.
