3. Guest: Casey Mast – Dietitian
   • Casey will be on the Health Professional Panel on Feb 25th. Casey’s job is split between 40% Dietitian/Clinical (1-on-1 Nutrition Counseling) and 60% public health initiatives. The 1-1 nutrition counseling topics vary and may include: meal planning, navigating campus foods, food allergies and intolerances, disordered eating behaviors, weight management, GI disorders, heart healthy eating, fueling for sports, chronic disease, and over all healthy eating.

4. Approval of Minutes – Motion to approve, 2nd, approved
5. Directors Report – meningitis
   • Mike presented SHAC with handouts for student input on the Presidential search and how to be involved.
   • There were 2 confirmed cases this past week and reports about a third were incorrect.
   • The students most closely in contact to the patient were contacted quickly.
   • Ciprofloxacin is the medication being used to treat.

6. Guest: Dan Geiger EMU Renovation Project Coordinator presented a slideshow on the new Erb Memorial building coming soon.
   • In the 20’s students didn’t have anywhere to go between classes. The “fish bowl” was considered radical.
   • They recently had a lot of fun saying goodbye to the old 70’s portion of the building.
   • We will be bringing beer back in the form of a pub. The local newspaper will be printing an article with the names of the restaurants that will be featured in the new EMU. The pub will be operated by Falling Sky.
   • Move in will happen in the spring of 2016 with the grand opening set for fall 2016.
