Meeting called to order
Introductions – “What’s your favorite or least favorite thing about Valentine’s Day?”
Announcements/Minutes

a) Approve 2/6 Minutes – Minutes approved
b) No other announcements

Director’s Report

a) Meningitis case: Third case confirmed Sunday. Dispensed approximately 300 antibiotics to students in an attempt to freeze the spread. The antibiotic has been administered to students at no cost as a public health measure. The cost of the pill is being covered by UHC budget. The Lane County Public Health Department is in charge of alerting students in close contact with the infected person (i.e. res hall roommates, close friends, etc.). Due to confidentiality, students cannot know the name of the student(s) infected. Health Center staff are determining messaging that should go out to students regarding getting the vaccine for serotype B. There are two available and the UHC medical director is researching the two. Mike wants to encourage people to get vaccinated.

b) Triple option update: Should have the vendor confirmed by next SHAC meeting. Anne Marie may come to next SHAC meeting.

c) Mike will attach a letter sent out by the Counseling Center Director regarding the reported leaking of confidential information.
Event Update

a) Valentine’s Day Update: Valentine’s Day tabling on Feb. 12 and 13 from 11-2 above the amphitheater went “really well” (Annie). Students seemed to be very interested and engaged. Students were surprised that the sexual health items were offered for free in the UHC. Up to 60 people visited the table Friday, around 100 visited Thursday. Ran out of supplies. SHAC members commented on possibly doing more tabling events, especially around holidays. Make sure to have different types of safer sex supplies for the table.

b) Duck’s After Dark: People really enjoyed the table and there will around 200 students there. Many made Valentine’s Day goodie bags.

Upcoming Events

a) Healthier Campus Initiative: Paula is going to Washington D.C. to represent University of Oregon in the Healthier Campus Initiative. Program focuses on two initiatives: nutrition and physical exercise. Paula, as well as other health center staff members and colleagues from the Rec Center and Housing, are working on developing a plan to improve health around campus: (i.e. food placement).

b) WRIHC: Kathleen handed out posters for the event. Student Sustainability Fund gave $5,000 to help fund conference.

c) Health Professionals Panel: The event will be Wednesday, February 25, 2015 from 6:00pm-7:30pm in the Health Center. Paula brought flyers to meeting. Poster PDF will be sent out to SHAC members. SHAC members need to put these up. Also need students to give class raps. Kyile will send out information to Asklepiads and MAPS. Need SHAC volunteers to open up doors and pick up refreshments.

The event will proceed as follows:

a. 6:00pm-6:30pm: Panelists will introduce themselves and give a short introduction.

b. 6:30pm-7:00pm: Students will ask questions or moderators will ask pre-written questions.

c. 7:00-pm-7:30pm: break-out sessions with panelists.
Questions for HPP

d. If you could re-do any part of your education/career, what would it be?

e. What did you plan on being when you were in undergrad?

f. Do you feel like you have a balance between your work and life?

g. Did you take any time off before your schooling?

h. What advice would you give?

i. What’s the most rewarding part?

j. How did you pay for schooling?

k. What are characteristics of good school programs?

l. What drove you towards a career in University health practice?

m. What was your support system like?

d) Hoodies: (Annie) Sweatshirts came in! Hoodies are in Paula’s office; email her (pstaigh@uoregon.edu) to get your hoodie next week. Can bring them to SHAC next week if people are interested in helping carry them over.

Next Meeting

a) We will not be meeting in the Ford Alumni Center. We will be meeting in Rec Center (room 83) from 3pm-4pm.

Final Announcements

1. Tuesday (February 24th) : Circle K will be doing a winter clothing drive. Deborah will send out an email to SHAC when she gets more information.

2. Make sure to send an email to Annie confirming that you participated in an outside event

Adjourn 3:50

Minutes: Candace Joyner
